This summer, get to know three remarkable rescue dogs through these heartwarming, humorous, and beautifully illustrated tales for ONLY \$4.99. (Limited time discount. Regular Price \$9.99)

**THE DOGS HAVE ARRIVED, AND THEY'RE WAGGING TO MEET YOU. Slip into your best walking shoes, stuff your pockets with tempting treats, and join these three unforgettable companions on a peregrination of perennially pampered pups.**

- Abused and neglected, deserted in the night, Jake's first four years robbed him, not only of his physical well-being, but his will to persevere.
- Sadie's beauty and intelligence contributed to her undeniable magnetism, yet her aggressive strength made her difficult to handle. After multiple failed adoptions, she had no reason to trust, to allow herself to bond with another human being.
- Left to fend for herself, Georgiana gave birth in the harsh wilderness of the Cascade Mountains. Although her newborn puppies were never found, the

young, timid mother miraculously survived her ordeal through December's icy wrath.

These dogs were lucky. Thanks to the dedication of three rescue organizations in three separate states, these animals overcame their cruel beginnings to achieve better health, to embark on lively adventures, to feel an unprecedented sense of safety, and, most importantly, to know what it is to be wholly loved. Jake, Sadie, and Georgie shared only two things in common: they were all dogs who had been abandoned by their people, and, ultimately, they would all find themselves adopted by the same woman and her family.

Often joyful, occasionally bittersweet, and frequently told with tongue firmly planted in cheek, this memoir is a tribute to rescued dogs everywhere and the people who can't live without them. Within the pages of *The Sun Orbits My Dog*, former journalist J. B. Fitzgerald takes readers on a journey through twenty years of dog parenting anecdotes--the laughter and excitement, the hardships and fears, and, of course, an array of comically undignified mishaps as she nurtures three very different souls through their unique challenges and watches them grow out of their sorrow and into infinitely happy and loving companions.

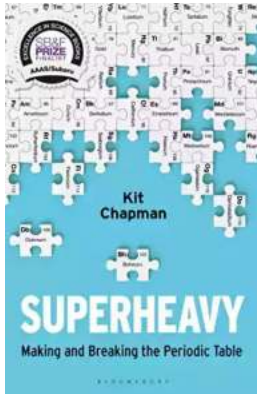

This illustrated edition includes more than 130 artistically displayed photographs.
