Abandoned in a bucket...to new adventures in Greece

The delightfully comic account of a British couple and their imported cats starting over in a new country continues in Bucket to Greece Volume 8. With Victor about to hang up his repping whistle for the season, he receives a surprising new job offer, whilst on a trip to the Caves of Diros he encounters an unwelcome blast from the past. Forced to play host to Marigold's friend Geraldine and the sexually infected fellow she has in tow, Victor is at least consoled by the thought that they share a common interest in mould.

When Marigold hears that Guzim's young wife is due to visit she insists on giving the Albanian shed dweller's hovel a makeover, whilst Victor and Milton share a moment of unhygienic bonding stuck in the bins together. Victor reflects on his flying visit back to England to help Violet Burke move from the chippy and his shock at discovering the truth about her fourth marriage. If you're a fan of Greek travel and culture then the Bucket to Greece series is a must, with a bucketful of laughs along the way.
