Meet Dethbert Jones

Dethbert Jones is your average ten-year-old – only he lives on the planet Crank with his pet chicken-snail, Precious, and his robot best friend Andi Social. When

he and Andi join the Space Cadets, a Scouts-like organization, they are totally smooched at the prospect of going to Space Camp where they'll learn to pilot a real shuttlecraft and disintegrate weapons of mass destruction.

From the planet Crank

Blamtastic! To earn his cosmic correspondent badge, Dethbert begins writing to an earthling – and boy, does he have a lot to write about!

A horrible little sister

Between questions about Earth food, culture, and activities, Dethbert recounts his experiences attempting to avoid his horrible little sister, impress his animal-obsessed crush, and fly a space shuttle.

An elusive first crush

Misadventures – from hairy ankles to crash landings – abound, but Dethbert's curiosity and enthusiasm can't be crushed, not by anything in this galaxy, anyway!
