Are you a creative person looking for new and exciting patterns to explore? Look no further, because Barbara Eikmeier's collection of 101 Torchon patterns is here to inspire you and take your crafting skills to the next level.

An to Torchon Lace

Torchon lace is a beautiful and intricate lace-making technique that has been around for centuries. Its origins can be traced back to the 17th century in Europe, particularly in Belgium and England. Torchon lace is known for its geometric and grid-like patterns, which are created by weaving threads around pins on a pattern called a "pricking."

101 Torchon Patterns by Barbara J. Eikmeier(Kindle Edition)

Characterized by the superb draughtmanship of its patterns and prickings, this book is the result of three years' study and research and brings together 101 of the best and most beautiful torchon lace patterns. After an explanation of the colour-diagram method, which eliminates lengthy technical descriptions, the projects are presented on facing double pages, each spread showing an overall pattern diagram, pattern detail and one or more close-up photographs for each piece. Included is a selection of patterns for working edgings, insertions, corners, bookmarks and medallions, aimed at a wide range of readership from beginners to experienced lacemakers.
