A transformative, euphoric memoir about finding solace in the unexpected for readers of *H is for Hawk*, *It's Not Yet Dark*, and *When Breath Becomes Air*.

Ruth's tribe are her lively children and her filmmaker and author husband Simon Fitzmaurice who has ALS and can only communicate with his eyes. Ruth's other "tribe" are the friends who gather at the cove in Greystones, Co. Wicklow, and regularly throw themselves into the freezing cold water, just for kicks.

The Tragic Wives' Swimming Club, as they jokingly call themselves, meet to cope with the extreme challenges life puts in their way, not to mention the monster waves rolling over the horizon. Swimming is just one of the daily coping strategies as Ruth fights to preserve the strong but now silent connection with her husband. As she tells the story of their marriage, from diagnosis to their long-standing precarious situation, Ruth also charts her passion for swimming in the wild Irish Sea--culminating in a midnight swim under the full moon on her wedding anniversary.

An invocation to all of us to love as hard as we can, and live even harder, *I Found My Tribe* is an urgent and uplifting letter to a husband, family, friends, the natural world, and the brightness of life.
