Moonlight Dunk Contest is a fun-filled bed-time story for fans of basketball young and old! Boldly blending court-savvy swagger with nursery rhyme imagery— instead of just sheep jumping over a fence—the whole barn comes out for a dunk contest unlike any other! Come join the moon and stars to become part of the audience, and watch as these unassuming yet incredible players show off their skills, while the local network announcers handle the play-by-play!

Those steeped in the game will notice subtle references to NBA and WNBA legends like Allen Iverson, Michael Jordan, Brittney Griner, and Kobe Bryant, not to mention ESPN’s Sports Center. Look close and you might even see Mars Blackmon and Jack Nicholson show up courtside!

All that said, at its heart MDC is about celebrating friendship, inclusion, and self-expression, just like the game it promotes! It seeks to inspire and encourage young fans of a game that never had a “Casey at the Bat” equivalent, or a song like “Take Me out to the Ballgame,” to sing to themselves as they fell asleep.

But even those of us who have never attempted a jump shot in our entire lives, will still enjoy the infectious rhythm, engaging illustrations, and positive message this story delivers ‘to the rim with gusto!’
