Five starred reviews!

From New York Times bestselling author Ashley Woodfolk, *Nothing Burns as Bright as You* is an impassioned stand-alone tale of queer love, grief, and the complexity of female friendship.

Two girls. One wild and reckless day. Years of tumultuous history unspooling like a thin, fraying string in the hours after they set a fire.

They were best friends. Until they became more. Their affections grew. Until the blurry lines became dangerous.

Over the course of a single day, the depth of their past, the confusion of their present, and the unpredictability of their future is revealed. And the girls will learn that hearts, like flames, aren't so easily tamed.

It starts with a fire.

How will it end?
