A study by Collage Group found that the number one trait that young adults value in living an ideal life is happiness. So why is it that so many young adults identify themselves as unsatisfied or unhappy with their lives? There is a misconception that in order to be happy you must first be successful. In fact, the opposite is true: you must be happy first in order to be successful. This raises the question: How do I become happy? The answer: Discover your authentic self.

See Me is about the importance of living authentically as a young adult. While young adults tend to talk about authenticity, it can actually be the hardest time in your life to feel confident in yourself. This book is a tool to help you stay true to who you are amidst the pressure to conform to societal norms. It aims to inspire young adults through guiding principles and the incredible stories of others who comprehend the value non-conformity and consistently work to live an authentic life.
