Have you ever encountered an inanimate thing that is so adorable that, despite the fact that it doesn't appear to serve any use, you can't help but fall in love with it and desire one for yourself? That's exactly how we felt when we came upon the crocheted meals craft idea. While some of these objects are intended as toys for children, not everyone uses them as such. As with other novelty items, these DIY items are generally little or, if that isn't enough, have charming little faces that convert them into little characters. We're completely smitten and can't wait for a spare day to sit down and crochet ourselves an entire supermarket's worth of munchies!
