Testing Solutions, LLC?!? Who are you?

Well... that's a fair question. First with the obvious, we are not a big company. The truth is though that we really don't want to be. The bigger you are, the more money you have to bring in, the higher your prices go, the more attention you have to pay to marketing to bring in the larger profits you need to keep a roof over your head, and consequently, the less attention you pay to putting out an incredibly high-quality product at as low a cost as possible.

So...if you are expecting a mega-corporation that will charge you thousands of dollars based on their big fancy name alone for their mediocre at best MCAT prep materials, you are definitely looking in the wrong place. We are not a big company and we never plan to be. We are a small company putting out what we believe to be the highest quality MCAT CARS practice materials on the market at a fair and reasonable price.
