“Prepare, execute, adapt, modify, execute.”

After years of preparation and careful planning, Gamel and his band of forest warriors will confront their most important test yet. With the hold under imminent threat of siege by a superior force, Lady Bella and Gamel's plans are initiated.

Gamel soon learns that no matter how well plans are made, they immediately fall apart as soon as they are activated. Gamel's plan to escape to Ackmer and seek help from the king, Lady Bella's father, is complicated when Bella forces him to take her daughter Izy with him.

This dangerous mission is compounded when the invading lord places a bounty on the child along with the entire forest warrior group. Gamel must find a way through the mountains and get Izy safely to sea while the best trackers and paid killers in the European Continent seek their bounty, dead or alive.
