Sulcata Tortoise or also known as African Spur Thighs can live between 70 and 100 years! Taking care of Sulcata tortoises especially when they're still young is quite easy and affordable. These tortoises have a reputation of being very friendly, inquisitive compared to other turtle or tortoise species, and they also have outgoing personalities. They're not boring pets unlike what we think of most turtles or tortoises and you'll surely enjoy their company for a very long time.

Get to know if the Sulcata Tortoises is the longtime companion for you! This book will delve deeper on how to maintain and keep pet tortoises, understand its biological characteristics, and give you information in terms of its health, nutrition, breeding and proper husbandry.
