Two souls destined to meet. One love story that can finally be told.

A woman fighting to remember....

I've woken up to find myself in a living nightmare. I don't know where I am. I don't know where I come from. Like everyone else around me, I have no memory of my life before I awoke in this barren landscape filled with dangerous creatures who seem determined to kill us all. I've been fortunate enough to recruit a group of

people to travel with me to a place known only as the Black Castle. Supposedly, it's a safe haven where we can find shelter from the monsters of this world. I have no idea if we'll all make it there alive, but I refuse to give up on the one chance I have to discover who I am and why I'm here. The only thing any of us woke up remembering is our own names. My name is Lilith, and I'm seeking my way home.

A man on a mission...

My name is Jered Alburn. Thousands of years ago, God sent a group of angels known as the Watchers to observe humanity and guide their education. I was one of those angels. During our time living and working beside humans, we broke God's one commandment to us by falling in love and taking wives. For our sin, the women we loved died giving birth to children who were cursed to live dual lives: human by day and werewolf by night.

During the dark days following my wife's death, I forged my son into a vicious weapon for which he ended up paying the ultimate price: an eternity in Hell. After his death, I finally saw the error of my ways and joined the fight against the princes of Hell to stop them from destroying the universe. After years of struggling against Lucifer and his followers on Earth, Hell has finally been destroyed, but all the souls and nightmare creatures who once resided there have been cast into a realm known as the Void.

My estranged son, Silas, is there, and God has granted me the chance to venture into the Void to not only rescue him but to also restore our shattered relationship. All I have to do now is fight my way through the remaining princes of Hell who now claim the Void as their domain and find my son among the countless people

who have been given a second chance to save their immortal souls. I will fight to my last dying breath to find Silas and bring him back home.
